

The "Construction Collection" Seminar

Based on the book Construction Collection

Offered on December 5, 2012 from 9:00 a.m. to 1:30 p.m.

Paradise Pier Hotel, 1717 South Disneyland Drive, Anaheim

This seminar, taught by the book's author and construction attorney Robert A. Weissman will discuss the new procedures and laws that went into effect on July 1, 2012. (The old laws often referred to as the "Mechanics' Lien" law were repealed in its entirety and replaced with new laws that took effect July 1, 2012.) ***The Miller Act (federal laws) will be discussed, but were not changed.***

This seminar will discuss Preliminary Notices, Stop Payment Notices (which replaced Stop Notices), Mechanics' Liens, payment bonds, release bonds and the four statutory releases for both public and private projects. We will teach you how to complete the Mechanics' Lien, Stop Payment Notice and Preliminary Notice forms.

This seminar requires the use of the author's Construction Collection book. All Participants will receive blank copies of the Mechanics' Lien, Stop Payment Notice and Preliminary Notice to complete. It is not necessary that a company purchase more than one copy of the book.

Cost for each participant: _____ \$200.00 for the seminar (if you already own the 2012 edition of the book)
_____ \$300.00 for the seminar and the new Construction Collection book

Add \$125.00 for each additional person or for each additional copy of the 2012 edition of the book

CONSTRUCTION COLLECTION

*****Updated to reflect the new laws effective July 1, 2012*****

This book, unlike most books in this area, is written for construction industry personnel in language anyone can follow. You will learn *how to complete* each form blank by blank, *how to serve* each document and the law relating to when you can use it and *the time frames* involved. The book includes over 30 forms which have been revised to include the changes required by the new laws, information, forms and advice. We believe you will find this an invaluable tool which you will use over and over again.

This book includes forms that can be used right out of the book. Just remove the form from the three ring binder, copy and complete. Each form includes a blank, numbered and a completed version along with step by step instructions for completion for the following chapters....
